November 4, 2015

Greetings NLN Members,

As the new Director of the UCLA Partners' MCH Nutrition Leadership Training Grant, I am pleased to announce that the 2016 NLN meeting will be taking place this year in Marina del Rey, California.

Save the Date: March 3rd and 4th 2016

While the agenda is not completely set, we have some interesting topics lined up for you including a session on advocacy in your organization as well as a focus on networking and mentoring for the leadership day.

For the remainder of the program, the UCLA Partners are still in the process of brainstorming the "hot topics in nutrition" that would be of interest to you. We would appreciate your feedback on these as well as giving us an idea of your availability for the dates suggested. Please follow the link provided below to be a part of this planning process.

Thank you so much for your cooperation. Please look forward to more details, including program and travel arrangements. The formal invitation will follow in subsequent communications. As usual, we will only be able to accommodate up to two members per state, unless some states are unable to participate due to travel restrictions.

I look forward to seeing you all in March!

Best,

A handwritten signature in cursive script that reads "Dena Herman".

Dena Herman, PhD, MPH, RD
Adjunct Assistant Professor
Director, MCH Nutrition Leadership Training Program
Department of Community Health Sciences
